

# Fairview Park Athletic Club INAUGURAL MEMBERSHIP

**JOIN US** as an *Inaugural Member of the Fairview Park Athletic Club*. Be part of this momentous occasion in our schools' history and help to define the impact of this newly-formed non-profit organization whose mission is to encourage, enhance and support the sports teams, student athletes and coaches at Fairview High School and Lewis F. Mayer Middle School.

Our goals and objectives are to:

- Collectively support and recognize the efforts of the schools' sports teams, athletes and coaches.
- Provide additional opportunities and resources for our athletic program, not funded by the schools.
- Have on-going dialogue with the community, increasing awareness of FPAC athletic events.

FPAC Membership offers you an easy way to support Warrior athletics. You need not to be a parent of an athlete to join, just a WARRIOR FAN! There are no volunteer requirements (although the help is always welcome). Members have voting rights and access to leadership opportunities. The Inaugural Membership year is July 1, 2018 - June 30, 2019.

**FPAC will be only as vibrant and strong as its membership. Become an Inaugural Member and make a difference for our student athletes.**

***We look forward to your support – GO WARRIORS!***
